September 2008

*Anza-Borrego Desert State Park
and
Ikh Nartiin Chuluu Nature Reserve*

Greetings from California. It is an honor for me to join in celebrating this wonderful Sister Park relationship.

I applaud all those who have dedicated their time and energy to make this great partnership a reality, especially our friends in Mongolia. Working together to support each other and exchange ideas is a fantastic way to improve our parks and enrich our cultures.

Ikh Nartiin Chuluu Nature Reserve and Anza-Borrego Desert State Park both share gorgeous vistas, diverse wildlife and amazing wildflowers. And thanks to your hard work, they now share a special bond that will help preserve their beauty for generations to come.

On behalf of all Californians, I extend my gratitude to everyone involved in this important endeavor and best wishes for your success.

Sincerely,
